Alger Equipment Co. warrants this product against manufacturing defects for a period of 2 years. In the event of failure of the product, we will, at our discretion, provide one of the following options:

- If it is determined the defective part can be easily replaced by the customer, a new replacement part will be sent at our expense along with instructions for replacing the defective part.
- Otherwise, the defective unit will need to be returned to our office (we will provide the UPS shipping information and cover the cost of the return) for repair or replacement pending our evaluation of the issue.

This warranty does not include the cost of removal or reinstallation of the unit.
